Water: 76.50%		

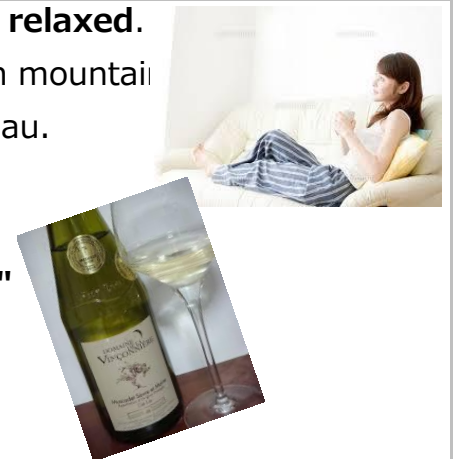

Comments on product features, popularity at overseas food fairs and in importing countries.

This junmai-ginjo sake brewed at a low temperature make you **relaxed**.

This sake is made with **clean spring water** from Japanese high mountain and rice grown in the clean atmosphere on the Shirakawa Plateau.

This product is literally an **art of water and rice**.

Enjoy the fruity taste **reminiscent of French wine "Muscade."**

How to serve/food pairing

Please enjoy this sake on the rock/warmed/at room temperature.

Also enjoy this sake during the meal, since it **goes very well with any dishes.**

Enjoy this easy-to-drink sake with your daily meals.

You will never get bored with this sake, the fruitiest sake from Shirakawa Meijo.

It is recommended to enjoy chilled Shirakawa Junmai Ginjo in a wineglass with **dried fruit and cheese.**

Message/request to buyers

We can provide this product in many different sized packages, but 720ml package is most popular in overseas market.

Although the price is **much lower than other products**, the quality of this product is very high.

We can provide this product at fairly low price because we produce it in large quantity.

You don't necessarily need to sell this product at low price, **you can earn an adequate margin.**

We can export this product in 1000 L bulk container for OEM use.

We can provide you 10,000L of this product monthly.
